

# THE NATIONAL SHRINE OF SAINT FRANCES XAVIER CABRINI

## LENTEN OUTREACH PROGRAM 2019

We are partnering with Catholic Extension, a Chicago-based papal society, that builds missions within the United States. This year we plan to assist Catholic Extension in their endeavor.

A representative from Catholic extension will be at the Shrine on **Saturday, February 10 and on Sunday, February 11 after Mass** to explain how your donation will help.

CATHOLIC  
EXTENSION

**CATHOLIC EXTENSION** has been strengthening Catholic communities across America since 1905. Their mission includes raising funds exclusively from private donors who share their dedication to help neighbors in faith. They provide support for mission dioceses—geographic regions of the country where the Catholic Church is growing and the needs are great. They hope that, by working together, we can ensure that these regions flourish by building faith that inspires hope and ignites lasting change. Visit [catholicextension.org](http://catholicextension.org)

During Lent weekends at the Shrine, there will be a second collection to help this project.
